

Novated leases

Taking the hard work out of salary packaging

Our specialised systems and efficient processes combined with knowledgeable experts make it easy for you to offer novated leases as part of your employees' salary packages.

We take care of all the hard work so you can reap the benefits of attracting premium staff by including a car in their salary package. Our seamless end-to-end service saves you time and money by taking care of all the administrative and communication challenges.

Payroll administration

Our specialised systems interface with your payroll system allowing us to calculate all deductions, reconcile receipted funds with requested funds, and follow up any exceptions.

Invoice administration

By paying and auditing all invoices on your behalf, we can address any concerns so they can be corrected in the next payroll. Staying on top of the invoicing makes it simple to produce reports at the end of lease or upon termination.

Taxes

Avoid one of the most time consuming and frustrating business tasks by entrusting us to administer all relevant taxes including Goods and Services Tax, Fringe Benefits Tax and Luxury Tax. The calculations and transactions are presented in easy to understand reports, making it easy for you to meet your BAS requirements and tax lodgements.

Package reconciliation

Our continuous reconciliation process ensures we identify and rectify any concerns immediately. We can provide an up to date report on any employee at any time, minimising the risk of you being left out of pocket when an employee leaves.

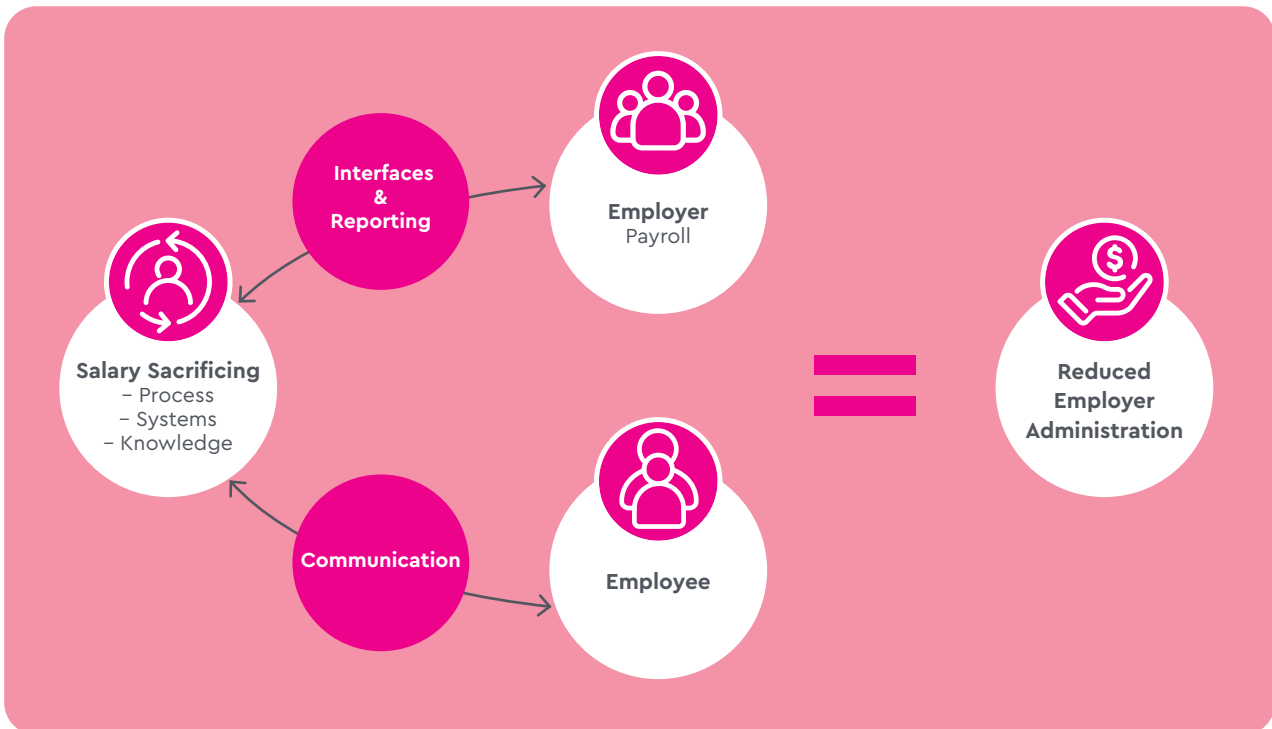

Access to experts

We will work with you to tailor a salary sacrifice program for your company. Upfront agreement on employee engagement strategies, reporting and timeframes will set us on the right path to achieving your goals and objectives.

- Save time and money
- Reduce administration
- Reduce risk
- Increase efficiency
